PROJECT VISION BROUGHT TO LIFE

From corporate events and beauty bars to product launches - our professional team adapt to your project needs. Our project managers are here to guide you through what packages would best suit your brand and vision. We then pair you with the professional artist team that specialize in bringing your vision to life. All looks are intricately executed - to provide the highest service quality that the beauty industry has to offer.

Our corporate headquarters are based in Las Vegas, NV. Our Las Vegas team (as well as our expansion cities) have large teams of artists that can handle any project needs. Outside our team's city limits? We offer customized travel plans as well.

Typically, for our full looks, services will take approx 30-45 minutes per hair styling and makeup services (so 1 client will be approx 1 - 1.5 hours if they were to do both hair & makeup).

For touch up services, we offer unlimited touch ups within 10-15 minute windows.

Our mission is to ensure complete satisfaction and offer the best customer care to each of our clients.

We have elite and master artists located in multiple cities nationally - and are currently expanding in other cities. Feel free to contact a project manager for your nearest city availability.

We do have artists that specialize in only hair or makeup and artists that specialize in "both" hair and makeup.

Makeup: They specialize in all skin tones, full glam, light and natural, runway/fashion, film, TV, video, theatrical and bridal

Hair: They specialize in Wig styling, Formal styling, Hot tool styling (curls or flat iron), blowout and braiding

Our "full look" services include any hair style and any makeup style (including the option for HD airbrush makeup and lashes if requested)
